**Was your income \$500 or more?** If so, you must file an income tax return either on a Withholding Receipt or on Form 1040.

**Was your income under \$500?** If so, file a return to get a refund of tax withheld. A married couple should file a combined return to get full benefit of exemptions.

**Deductions:** If you file your return on a Withholding Receipt, the Government will figure your tax from a tax table provided by law, which allows about 10% of your total income for charitable contributions, interest, taxes, casualty losses, medical expenses, and miscellaneous items. In order to claim deductions of more than 10%, you must file your return on Form 1040.

**To file a Withholding Receipt as your return,** fill out both sides of the ORIGINAL, sign, and mail to Collector of Internal Revenue, your district, between Jan. 1 and Mar. 15, 1945. Keep the duplicate.

**If you got more than one receipt** for income tax withheld during 1944 (Form W-2 or Form W-2, Rev.), fill out and sign the last one received and attach the others to it. If filing a combined return, attach receipts of both husband and wife. If any receipt is missing and you cannot obtain a copy from your employer, make your return on Form 1040. Write here the total number of receipts you file, including the one used as your return.

**Make no payment now,** but wait for bill or refund from Collector.

Dear Mrs. Zaniewski:

Reference is made to your inquiry regarding the refund of your retirement deductions.

It is necessary that you complete the inclosed form in full and return it to this depot for transmittal to the headquarters retirement office. The certified record of your deductions has been forwarded to the retirement office by this depot.

Very truly yours,

DATE : 04-17-47

This is to notify you that we have requested the Treasury Department to prepare a check to be mailed to you at the above address for a refund of your retirement deductions. The amount of the check is shown above to the right of your name. The CSR- number shown is the claim number that identifies your case.

The amount of refund has been determined on the basis of certified records taken from your basic salary during your Federal employment. (Retirement deductions are not taken from gross salary, which includes overtime.)

If your separation was involuntary and not by removal for cause, the amount of refund includes the "tontine." If your separation was voluntary or for cause, the "tontine" may not by law be refunded and is not included in the amount.

(Tontine is the term for the dollar that is set aside from each monthly deduction and placed in the Retirement Fund to which the Government also makes contributions. It is from this fund that employees' annuities are paid. The purpose of the tontine is to reduce the Government's cost in the payment of annuities. The employee who resigns voluntarily or is separated for cause forfeits the tontine. For the employee who is separated through no fault of his own or who dies while in the Government service, the tontine is refunded.)

If your record of service totaled more than five years:

a. The law permits us to refund only those deductions taken from your salary prior to January 24, 1942. The Retirement Act provides that all periods of service shall be included in determining total service. This means that we must add together all periods of active honorable military service and all periods of service for which no retirement deductions were made, as well as service for which deductions were made.

b. The law further provides that employees with five or more years of service shall be entitled to a lifetime annuity beginning at age 62. If you have been separated involuntarily (because of reduction in force, for example) a reduced lifetime annuity may be paid to you beginning at age 55.

c. The retirement deductions which cannot now be refunded to you will remain on deposit to your credit in the Retirement Fund, increasing at 3% compound interest from the date of your separation to the date when annuity benefits become payable. These retirement deductions are never lost. They will be paid back to you with interest as a lifetime annuity (further increased by a large government contribution); or, if you should die before reaching retirement age, the amount to your credit (including accumulated interest, of course) will be paid to your beneficiary or to your estate.

d. The amount now being refunded to you must be redeposited with interest before any annuity benefits based on the service covered by the refund can be allowed. At the time you apply for an annuity, we will let you know the amount of annuity you can get if you make the redeposit and also the amount if you do not. You may then decide which plan is best for you.

CAREER PLANNING/JOB SUCCESS WORKSHOP

Sat. Sept 14, 1966

Dear Norma,

I hardly know where to start with this letter. I suppose I really should start with an apology. I am sorry ~~to~~ for not having written sooner. When I finally found the time, I discovered I lost your new address. So I had my sister call information & get it for me. That was almost a month ago. Time flies!

We are getting along quite nicely here in Lacombe. We like it well enough, and you know Norma, home is where the heart is. Ralph & I have had no trouble adjusting. I would say Linda has been the most unhappy. However, school has started & I am hoping it will change for her soon.

Robbie found a job & started working the first Monday we were here. At a service station for a very fine man. He is doing real well. Edna bought a Pontiac '65 car. He works part time now that school has started.

We all love our new home. It is really grand & so easy to keep clean. We plan on putting in our lawn in a week or two.

I had a two month vacation. At first it almost drove me wild being home with the children again. Then when I became adapted to it, I found a job. Have been working for 5 weeks now. I work at Ideal Industries. They manufacture small electrical tools, switches, etc. It is independent & has a profit sharing plan. I had to take a hundred dollar cut in wages. That

2.

hired for the Steno pool. Spent one week in there & then was asked to go into the Export Dept to cover for a gal who was being married. I liked the work real much & the Export Mgr. liked my work & tried to get me transferred, but my boss said no. But, it all worked out for the best because this Monday I started my training as Assistant Buyer. Besides that, I got a raise & saw even more as I found my value. So, things are looking up. Its a real nice place to work & nice people & a beautiful new building right here in Sycamore, too.

It has been a grueling five weeks because I have constantly been under fire learning all these new jobs. I hope it all settles down soon. Going back to work was bad enough, & this has been just too much. I'm tired all the time. Sure will be glad when I'm through learning this latest job.

We have had quite a bit of company from Milwaukee mostly friends. My sister Beilie & her husband were here, too. We were in Menomonee Falls Sept 3 for a nephew's wedding. It was nice seeing everyone again. If ever you should decide to come down to see us, just let me know & I will give you the directions. Its about a two hour drive if you do 50 M.P.H. but the roads are all country back roads & not heavily traveled. I think I can't wait. We want to enjoy seeing you. How are you getting along? How's the job? Are you settled in (over)

3. your new home yet. Knowing you,  
I imagine you have almost killed  
yourself re-decorating, etc. The home  
all the inside painting to do, but  
haven't started yet. Hope to soon, tho.

Please write & tell me how Mueky  
is getting along. Do you think she  
might like to receive a letter from me?  
Is Jonine going to St. Maiche's?

Tell, my dear, I must hit the  
sack now. Its been a long day. I had  
much to do tonite, but goofed off instead.  
She are all in good health. I  
do hope you are, too.

I shant look for a letter from  
you too soon, after all, I really don't  
deserve one.

Best wishes, & much love,

Arlyn.
